

The Word of God at the centre of life: **meditation of the Word** or **lectio divina** are suggested during the year in link with the liturgical times and with the charism of the Congregation.

The Prayer of the month – generally fixed on the 11th of each month in memory of the first foundation of the congregation :11th April

1799 – has become

a tradition

; it's a very strong link of communion between sisters and lay friends of the Congregation.

The prayer also favours the dates of the feast of Saint Jeanne-Antide, of Saint Vincent de Paul and of the Saints of the Congregation.
